## **Notice**

Depending on how many people you'd like us to cater for will effect the notice period. For a single cake order for example, we require minimum 48hrs notice. For anything above and beyond that, the more notice the better. We're a small team and want to make sure we can have it ready for you – We understand there are times when you'll perhaps need something last minute, so please feel free to ask and we can of course see what we can do. Either call, email or pop in.

## **Collection from shop**

We're not able to deliver to you so food must be collected from the shop, during our opening hours. Food can also be made for private Hire events taking place here at the shop, in which collection is not necessary! Please ask us about Hiring the space here, as we have a set of terms and prices we can send you.

## **Payment**

Payment can be made upfront when ordering – this can be either in full or by way of deposit. Our preferred option is at point of collection (and you will be given a till receipt with our VAT number on it). We understand that you may need an invoice instead which you settle at a later date; this can be arranged if payment on collection isn't possible. Please let us know when you place the order.

## **Food presentation – we keep it simple**

All food will be packaged so it stays fresh. If you need the food laid out on platters (and are able to carry these back to your place of work) we can of course do this for you – we have a small selection of platters you can borrow and return or you are welcome to bring in your own for us to use.

We can also provide serviettes and plastic cutlery - Just let us know how and what you need.

## **Need to hire space away from the office/place of work? Or just for a catch up with friends?**

We hire out Nibsy's and our downstairs area works well for a group of up to 30 people. Please ask us for prices and more details.
