

# Welcome to The White Horse Inn

Rachel, Alison and their team would like to welcome you to  
The White Horse Inn.

Our pub is the oldest on the Isle of Wight dating back to the  
15<sup>th</sup> century and we can assure that a warm and friendly  
welcome awaits you at all times of the year.

Our food is cooked freshly to order and we try to source as many  
ingredients locally as possible.

Make sure that you take a look at our Daily Specials Board as well  
as our Homemade Desserts, we hope to cater for all tastes.

Please do not hesitate to ask any member of staff if you require  
special dietary advice or needs.

(GF) = Gluten Free

(V) = Vegetarian

We make every effort to ensure that all dishes are free from bones, however there may still  
be small bones present in some dishes. Although gluten free dishes contain no gluten, they  
are prepared in the same environment as other meals, therefore we cannot guarantee that  
our gluten free meals are suitable for caeliacs. Some dishes may contain nuts.  
Our fryers use GM vegetable oil.
