

GLUTEN FREE OPTIONS

Claire and team care passionately about catering for dietary requirements including gluten free, wheat free and dairy free.

The separate Gluten Free Menu options include cakes and sweet treats (including celebration cakes), pies, pastries, quiches, ready meals and party food.

Individual buffet boxes can be supplied too, ideal to take to a party or function.

If your preference is not listed on the menu simply contact Claire's who will endeavour to make it for you. All produce is freshly baked on site by the talented team and gluten free items are made in a separate area of the kitchen before the shop opens to eliminate cross contamination.

The helpful and knowledgeable staff are more than happy to answer any questions regarding food preparation and ingredients and to offer advice.
