Wow. The staff and accommodation were outstanding. Such a warm welcome, friendly faces with care and laughs.

Their exceptional chef has skills in many things including specialising in a gluten and dairy free menu which brings in crowds for miles. His knowledge in the food he prepares will leave anyone with allergies or special dietary requirements eating care free. I was privileged to have a conversation with him which has enriched my life.

Definitely recommended.

The accommodation was beautiful, comfortable and clean. The carvery and breakfast were delicious. The staff made my heart smile.

Thank you Geoge and Dragon. You went above and beyond for which I am truly grateful for.
